

SPEED UP!

EUROPE

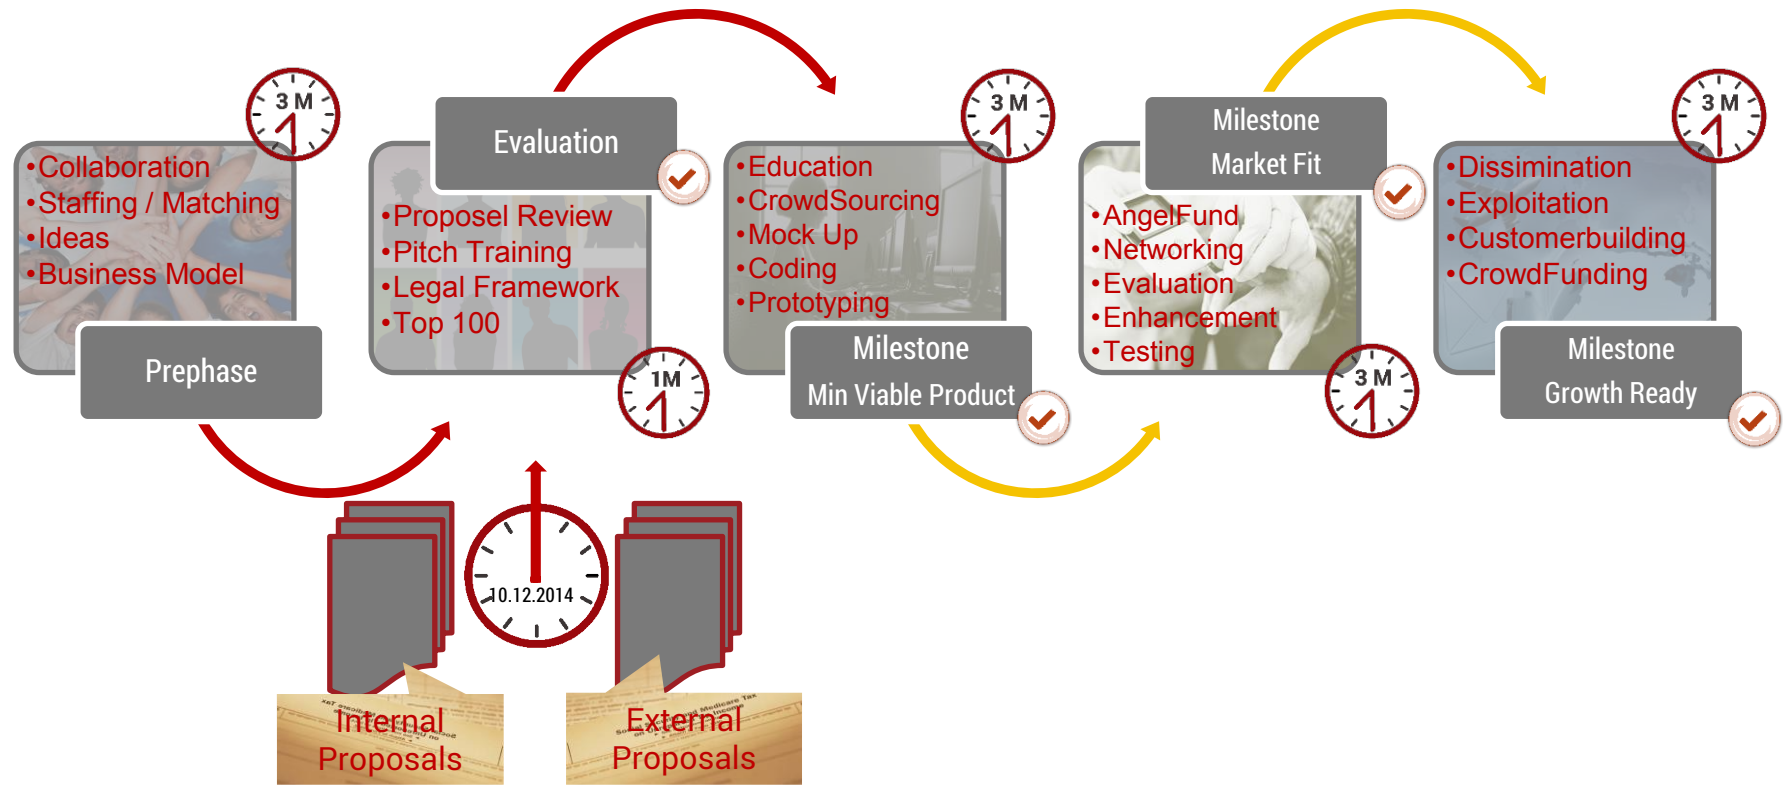

PAN-EUROPEAN CONSORTIUM ACCELERATING “FUTURE INTERNET-” RELATED BUSINESS IDEAS, START-UPS AND SMALL AND MEDIUM-SIZED ENTERPRISES

**Entrepreneurs
are made
rather than born**

We Care about YOU !

OPEN CALL ONE 5.9. - 10.12.2014

USP?

OPEN CALL ONE 5.9. - 10.12.2014

CRITERIA ?

VALUE PROPOSITIONS

The **grants** offer the **opportunity to make a trial**
- a rare opportunity for start-up & entrepreneurs.

Anybody with talent can be part of the experiment
– no restrictions to sector or background

The **education and training provided** is in itself a value

Pan-European collaboration is an outstanding opportunity
– participants can work in international environments,
launching their businesses globally

VALUE PROPOSITIONS 2

The FIWARE technology could be
a key factor to enable the most viable part of the digital era – the Internet

We accept failure,
but ask for your utmost efforts to make this happen

This is an outstanding opportunity to kick start an **everyday business**

Allows entrepreneurs to test applications with real data, run trials,
and become **visible to potential clients and partners and increased credibility**

GET 15 POINTS

Implementation (threshold = 4):

quality of team

Impact (threshold = 3):

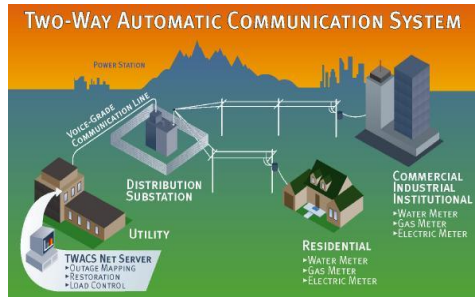

**societal and economic value
of the targeted product/service**

Technical quality (threshold = 3):

**innovative use of generic FIWARE enablers
going beyond a minimum level of functional
complexity**
